Servant Leadership

As a Catholic Christian school, SMSA challenges students to imitate the sacrificial love of Jesus Christ, who suffered and died “as expiation for our sins” (1 John 4:10). The virtue of Christian charity, like all virtues, requires practice to bring it to perfection. With this in mind, SMSA students are required to perform service so as to strengthen this habit of charity in their lives.

More detailed information about high school service requirements and the new Servant Leadership Award will be provided in a forthcoming document.

Servant Leadership Core Team

- Works with the Director of Campus Ministry and other faculty members to plan, coordinate, and promote high school and system-wide service events based on the corporal works of mercy.

- Core Team members will be required to meet regularly throughout the school year.
